Social and Networking Evening

We should be delighted if you could join us for a Branch networking evening as a means of welcoming new members and provide an informal forum for meeting other members of the local EI energy community. We welcome any feedback on services the Branch can provide and your contribution will also help the Branch to organise future events of interest to you.

Held at the Holiday Inn Theatreland, 161 West Nile Street, Glasgow, G1 2RL (near Buchanan Bus Station) at 1830hrs. A buffet and refreshments will be provided.

**For further details,
