Information for Energy group

Visit to the

Ratcliffe-on-Soar power station

Radcliffe-on-soar, Nottingham, NG11 0EE

Thursday 11 June 2009

1.30 – 3.30pm approx

Ratcliffe-on-Soar is a coal fired power station. With a total generation capacity of 2,000MW from four 500MW units, it produces enough electricity to meet the needs of approximately 2 million people.

More information about Ratcliffe-on-Soar can be found at:

<http://www.eon-uk.com/generation/ratcliffe.aspx>

This visit is free to IFEG members; non-members are welcome to become members and attend (2009 membership is £25/£12.50 for unwaged members). If the visit proves too popular then a waiting list will be in operation and priority will be to current IFEG members. Spaces are limited to 24 people.

If you wish to join this visit please return the attached form by Wednesday 27th May 2009

Please return this form by Wednesday 27th May to:

Emily Heath, IFEG Secretary,

Energy Institute, 61 New Cavendish Street, LONDON, W1G 7AR
