Visit to the

SELCHP incineration plant

South East London Combined Heat and Power Ltd, Landmann Way, London, SE14 5RS

Wednesday 21 April 2010

1-3pm

We will see the SELCHP plant in operation and have the chance to speak directly to management and staff at the plant. SELCHP generates electricity from waste received from households and some businesses in Lewisham, Greenwich, Westminster and Bromley. More information about SELCHP can be found at: <http://www.selchp.com>

This visit is free to IFEG members; non-members are welcome to become members and attend (2010 membership is £25/£12.50 for unwaged members). If the visit proves too popular then a waiting list will be in operation and priority will be to current IFEG members. Spaces are limited to 25 people.

If you wish to join this visit please return the attached form by Wednesday 31 March.

Please return this form by Wednesday 31 March to:
